

VEIN, VEIN, GO AWAY!

Vein Health Info Night

Do these look familiar? Would you like to know more about what causes them and what treatment options are available?

Vein disease affects up to 25% of the population and if not treated can lead to serious health problems. Come along to hear Dr. Luke Matar, director of "The Vein Clinic", speak about the various types of leg vein conditions, including common symptoms, latest treatment options, prevention tips and more.

When: Monday 18th August, 2014

Time: 6pm-7.30pm

Where: Hollywood Subiaco Bowling Club Function Room,
42 Smyth Road, Nedlands, WA

Light refreshments provided.

Bookings are essential by Friday 15th August.
Contact Lucy on (02) 8011 4846 or 1300 00vein (8346)
or email info@healthylegs.com.au to reserve your seat.
